NOTICE OF AWARD OF CONTRACT

Pursuant to the provisions of Section VII, of Chapter XIII, Title VII, Revised Statutes of Arizona 1913 Civil Code, and acts amendatory thereto, notice is hereby given that the Commission of the City of Phoenix, in public session on the 21st day of May, 1919, opened, examined and publicly declared all proposals or bids offered for the following street work, to-wit:

RESOLUTION NO. 353
A resolution of the Commission of the City of Phoenix declaring its intention to improve certain portions of East Moreland street in the City of Phoenix and determining that bonds shall be issued to represent the costs and expenses thereof, and declaring the work or improvement to be of more than local or ordinary public benefit, and that the costs of said work or improvement shall be assessed upon a certain district and providing that the proposed work or improvement shall be performed under Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto.

BE IT RESOLVED BY THE COMMISSION OF THE CITY OF PHOENIX:

SECTION 1.
That the public interest and convenience require, and that it is the intention of the Commission of the City of Phoenix, to order the following work to be performed, to-wit:

1. That the roadway of East Moreland street between the west line of Seventh street and a point thirty-three (33) feet east of the west line of Tenth street, including the intersections of all streets, be graded and paved with bituminous concrete base, as per specification No. 25A.

2. That all private drives on both sides of East Moreland street, between Seventh and Tenth streets, be graded and paved to a depth of five (5) inches with cement concrete, as per Specification No. 30A.

3. That combined cement concrete curb and gutter be constructed along both edges of the roadway of East Moreland street between the west line of Tenth street (except at the intersections of private drives and excepting also at the intersections of the roadway of Seventh and Ninth streets with East Moreland street, as shown on the plans.

4. That cement concrete curb be constructed along both edges of the roadway of East Moreland street at the west side of Tenth street, at the west edge of the roadway of Tenth street at both sides of East Moreland street, and at the edges of all private driveways, as shown on the plans.

5. That cement concrete gutter be constructed across the roadway of Ninth street on both edges of the roadway of East Moreland street, and across all private driveways, as shown on the plans.

6. That one (1) stormwater manhole be constructed at each of the following locations on East Moreland street: Near east line of Seventh street; approximately seventy-five (75) feet west of the west line of Ninth street, as shown on the plans.

7. That two (2) gutter inlets be constructed at each of the following locations on East Moreland street: Near the east line of Seventh street; approximately seventy-five (75) feet west of the west line of Ninth street, as shown on the plans.

8. That two (2) cement concrete standpipes be constructed on East Moreland street at Seventh, Ninth and Tenth streets, respectively, and that sheet metal gates be placed in them to control the flow of water, as shown on the plans.

9. That corrugated iron pipe of the size and location be laid across the roadway of East Moreland street as follows:

Fifteen (15) inches in diameter near the west sides of Ninth and Tenth streets, respectively, as shown on the plans.

Eighteen (18) inches in diameter near the west side of Seventh street, as shown on the plans.

10. That cement concrete pipe of the size to fit the aforementioned corrugated iron pipe be laid from the standpipes and corrugated iron pipe to points six (6) feet back of the property lines, across all driveways, and between all gutter inlets and storm water manholes, as shown on the plans.

11. That street signs of the number and location be set as follows: Seventh street and East Moreland street six (6); Ninth street and East Moreland street, eight (8); Tenth street and East Moreland street, four (4); as shown on the plans.

12. That survey monument covers, furnished by the City, be set at the following locations on East Moreland street: Seventh street two (2); Ninth street, one (1); Tenth street, one (1); as shown on the plans.

13. That the roadway of intersecting streets be graded from the edge of the aforementioned pavement not to exceed ten (10) per cent until it meets the original surface.

All of the above work or improvement to be done in accordance with that certain set of plans approved and adopted by the Commission of the City of Phoenix on the 2nd day of April, 1919, and on file in the office of the City Engineer in Book Five of Street Improvement Plans, on Pages 42 to 47 inclusive, and in further accordance with the following specifications:

Standard Specifications of the City of Phoenix, Numbers 19, 21, 22, 24, 25A, 28 and 30A.

All of which above specifications are on file in the office of the City Clerk of the City of Phoenix. Said plans and specifications are hereby referred to for a more particular description of said work and made a part hereof.

Reference is hereby made to the Bituminous License agreement of Warren Brothers company of Boston, Mass., dated April 2nd, 1918, and on file in the office of the City Clerk of the City of Phoenix.

That the said contemplated work of improvement, in the opinion of the Commission, is of more than local or ordinary public benefit, and that the said Commission hereby makes the costs and expenses of said work or improvement chargeable upon a district, and hereby declares that the district in said City of Phoenix, benefited by the said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

The south half of the east half of Block 12, and the north half of the east half of Block 5, East Evergreen Addition.

The south halves of Blocks 3 and 8, and the north halves of Blocks 1 and 10, Brill Addition.

Excepting therefrom any portion of any public street or alley that may be included in the above described district.

Reference is hereby made to Book One of Assessment District Diagrams, Page 5 to 10, on file in the office of the City Engineer of the City of Phoenix, for a more complete and detailed description of said district.

The said Commission finds that public convenience requires that serial bonds shall be issued to represent the costs and expenses of such work or improvement, and said Commission determines that serial bonds shall be issued to represent each assessment of Twenty-five (\$25.00) Dollars or more for the costs and expenses of said work or improvement. Said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year thereafter until all is paid, and the interest shall be payable semi-annually by coupon on the second day of January and July respectively of each year, at the rate of six (6) per cent per annum, on all sums unpaid, until the whole of said principal sum and interest are paid.

That these improvements shall be made, and all proceedings therein shall be taken; that the Superintendent of Streets shall post notices thereof; that the City Clerk shall certify to the passage of this Resolution of Intention and shall cause the same to be published in the Arizona Republican a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose; that the City Engineer shall prepare duplicate diagrams of the district hereinabove described in Section 2, of this Resolution of Intention, to be assessed to pay the costs and expenses thereof, under and in accordance with the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and subsequent acts amendatory thereto.

Approved April 9th, 1919.
PETER CORPSTEIN,
Mayor.

I hereby certify that the above and foregoing Resolution No. 353, was duly passed by the Commission of the City of Phoenix, at a meeting held April 9th, 1919, and that a quorum was present thereat.

FRANK THOMAS,
City Clerk.

And that therefrom, to-wit: on the 25th day of May, 1919, said Commission of the City of Phoenix, awarded the contract for the entire improvement to the lowest and best responsible bidder for the kind of material and specifications determined upon to-wit: SOUTHWESTERN CONTRACTING COMPANY, at the unit prices named for said work in its proposal on file in the office of the City Clerk.
